Note: because many students apply for a bank account in the summer, it can take one or two working days longer.

ABN AMRO Student Insurance

In addition to your International Student account, we offer a special Student Insurance. This all-in-one insurance contains: a Personal Liability Insurance, a Home Contents Insurance, and an Accident Insurance (optional).

A Personal Liability Insurance

Accidents can happen when you least expect them, and can cause damage to other people or their property. If you are held liable for such damage, third-party cover ensures that you will not have to pay all of the costs yourself. You are covered for injury to others and damage to property that you have caused as a private individual.

A Home Contents Insurance

Our Home Contents Insurance covers your possessions against theft, fire and storm. And if you move house, your things will be covered at both your old and new address.

An Accident Insurance (optional)

Accidents often have drastic consequences, especially if somebody dies or becomes permanently disabled. In that case, personal accident insurance at least gives you the security of a lump sum payment for yourself or your next of kin.

Premium (costs)

- Single persons: € 3.53 per month; including Accident Insurance € 3.83 per month
- Married or cohabiting couples: € 5.30 per month; including Accident Insurance € 5.60 per month for the first insured person
